The Newport News Circuit Court Clerk's Office is excited to announce that effective August 1, 2017, individuals will be able to make payments on their court accounts with the new Virginia Judiciary Online Payment System (VJOPS).

VJOPS can be accessed at <https://eapps.courts.state.va.us/fmsOnline>. This system may be used to process payments of fines, fees, restitution and costs for traffic and criminal cases disposed of in the circuit court.

If you are on a payment plan and have more than one account in your plan, it will be your responsibility to ensure that your payment is made to only one of those accounts at a time and that the account selected is the correct account. The accounts will have a "Payment Due Date" column. Be sure to select the individual account with the earliest due date. This office will not be responsible for payments made on an incorrect account but will work with individuals if notified promptly after your payment was applied to the wrong account.
