Topics Covered:	1 Reviewed Minutes of 2-22-18 Meeting.
	2 Discussed resource fair site location & Date.
	3 Reviewed Survey Data.
	4 Reviewed Vendor Letters.
	5 Discussed C.R.I.M.E. Leadership.

Summary of what was discussed/decided:

- Reviewed the Minutes of the February 22, 2018 Meeting. The Team approved the minutes as presented.
- Discussed fair site location: Norman shared email that described current activity at Aqueduct and read James' email. Based on the the teams' desire to retain fair autonomy and the amount of services already in place at Aqueduct, the team chose to identify another fair location:
Two options: 1) June 15, 2018 SoMo hosting NNPD with Basketball Tournament and other NNPD activities.
2) Cypress Terrance & Ashton Greene: Both located on Warwick blvd with Peninsula Boys & Girls club. We could promote the fair in both communities. There is a large field and a good inside space.
Date: June 2, 2018 fair date is good with Iza, Norman, James. The date is not good with Mary and Traci (Traci will have a Youth Services Representative at the event on this date). Traci and Iza have great contacts to pull potential vendors.
- Traci gave brief description of survey data & noted the Critical gaps in NN as a key componet for vendors.
- Mary expressed concern for gathering community impact: add follow up with vendors at 3/6 months. Traci suggested that we have team members do exit survey with fair participants.
- Team members will review the vendor letter and email Norman with changes.
- Team expressed concern regarding no news or contact from CRIME Leadership & discussed city leadership changes impact on CRIME after elections.

Next Steps:

1. Traci will supply contact information for Peninsula Boys & Girls club.
2. Team members will email Norman with changes to vendor letter for sample at next meeting.
3. Shirley Matthews will represent Traci at next meeting.
