

# Stray Animals at the Peninsula Regional Animal Shelter

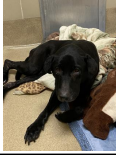

9/24/2020

## Hampton, Newport News, Poquoson, and York Co.

All of these animals are potentially owned by someone, so are not yet available for adoption. To see the PRAS adoptable animals visit <http://www.petango.com/PeninsulaRegionalAnimalShelter>

Even if this description doesn't match, your animal may be at the shelter. This information is a best guess approximation only, if you are missing an animal, come to the PRAS at 5843 Jefferson Ave to report the lost animal and check to see if your animal is there. The second entrance at the side of the building is open 8am to 5pm everyday. The owner is the best person to identify which animal is theirs and we recommend checking at the shelter every few days. The legal holding period for shelter animals without identification is 5 days. For animals with a collar, chip, or other ID, the holding period is 10 days. This list includes only animals at the shelter within the holding period, come to the shelter for additional information if your animal has been missing longer.

If you have found a stray animal and are able to care for them while helping finding the owner, make sure to report the animal to the PRAS and have them scanned for a microchip. 757-933-8900 Option #7
