## Tools for Supervisors

Helping Employees Prepare For Their Check-In

- ✓ System Check/Inspection Time. Follow-up on overall FUEL summary for 4<sup>th</sup> Quarter. Ask if there are any additional questions or tools needed?
- ✓ Have you noticed your employees body language during their Check-In? Are they engaged or disengaged? How can you help add to or improve what you see, and why is their body language important to know?
- ✓ Suggested new Check-In locations and ideas. Outside or going to your employees office? Provide employee with their favorite snack, beverage or water etc.
- ✓ Who wants to play One Minute Drill? Right Click FUEL Station below, Have Fun!!!
