

## Equity POS - Active Sentara Health Plans Large Group Benefit Summary

**This benefit summary is not a contract or health plan policy from Optima Health. If there are any differences between this benefit summary and the Optima Health coverage documents issued when You are enrolled, the provisions of the coverage documents will prevail for all benefits, conditions, cost sharing, and limitations and exclusions.**

This Benefit Summary is an overview of Your Covered Services and Your out-of-pocket cost sharing amounts including any Deductibles, Copayment and Coinsurance. There are two benefit columns. One column lists cost sharing amounts You will pay for In-Network benefits from Plan Providers. The other column lists cost sharing amounts You will pay for Out-of-Network benefits from Non-Plan Providers. You or Your means the Subscriber and each family member who is a Covered Person under the Plan. Details about Covered Services are in the section "What is Covered." Details about services and treatments that are not covered are in the section "What is Not Covered."

Some benefits require Pre-Authorization before You receive them. These services are marked with an \* in the Benefit Summary.

Some Covered Services may have visit limits. Once a visit limit is reached, no additional services are covered under the benefit. If a service is shown as covered under Out-of-Network benefits visit limits are combined with In-Network and Out-of-Network benefits unless otherwise stated.

Services or treatment You receive Out-of-Network or from Non-Plan Providers will be covered under the Plan's Out-of-Network benefits unless:

1. The Covered Service is an Emergency Service;
2. During treatment at an In-Network hospital or other In-Network facility You receive Covered Services from a Non-Plan Provider; or
3. We have approved Your Covered Service in advance as an Authorized Out-of-Network Service.

If Your Plan has a Deductible that is the dollar amount that must be paid out-of-pocket by a Member for Covered Services each year before the Plan begins to pay for benefits. Your Plan may have separate Deductibles for In-Network and Out-of-Network benefits.

Copayments and Coinsurances listed in this Benefit Summary are amounts You pay directly to a Provider for a Covered Service. Copayments are shown as flat dollar amounts. Coinsurance is shown as a percentage of the Plan's Allowable Charge for Your Covered Service. You will pay a Copayment or a Coinsurance, but not both, for a Covered Service. For some benefits you may see the statement, "Cost sharing determined by the type and place of service." For these services Your cost sharing will be based on where you receive a service, for example in a physician office or inpatient setting, and/or the type of service. You may also have to pay for balance billing amounts that are more than the Plan's Allowable Charge for a Covered Service from Non-Plan Providers.

Your Plan's Maximum Out-of-Pocket Amount means the total dollar amount Members pay, or that are paid on their behalf, out-of-pocket for most Covered Services during a year. Deductibles, Copayments and Coinsurance for most Covered Services count toward the maximum amount. Your Plan may have separate maximum amounts for In-Network and Out-of-Network benefits.

If You have other Family Members on Your Plan the Family maximum applies. Under Family coverage the Individual maximum applies separately to each covered Family Member. Once the total Family coverage maximum is met the Family maximum amount is satisfied. No one Member can contribute more than their Individual maximum amount to the Family limit.</p>

### **LG\_MDAD\_10\_30\_50\_20%**

This Benefit Summary describes Your Plan's outpatient prescription drug coverage. All drugs must be United States Food, Drug Administration (FDA) approved, and you must have a prescription. Some drugs require Pre-Authorization by Your Physician, and some quantities may be limited. Details about Covered Services are in the section "What is Covered". Details about services and treatments that are not covered are in the section "What is Not Covered."

Prescriptions may be filled at a Plan pharmacy or at a non-participating pharmacy if the non-participating pharmacy or its intermediary has agreed in writing to accept as payment in full reimbursement from the Plan, including any Copayment or Coinsurance consistently imposed by the plan, at the same level as the Plan gives to participating pharmacies.
