GENERAL STATEMENT OF RESPONSIBILITIES

Under general supervision, this position trains instructor candidates on a variety of aquatics topics. Reports to the Aquatics Program Coordinator.

ESSENTIAL JOB FUNCTIONS

Plans, organizes, and instructs classes according to established teaching outlines, methods and goals provided by the United States Water Fitness Association or related organization. Enforces pool safety standards and facility operational rules for all individuals using the facilities.

Completes required documentation and evaluations to gauge participant's progress; sets up and breaks down equipment as needed.

Interacts with the public and others outside the work unit to obtain and provide information and assistance in a variety of circumstances.

Performs other duties as assigned.

PERFORMANCE STANDARD

Employees at all levels are expected to effectively work together to meet the needs of the community and the organization through work behaviors demonstrating the City's Values. Employees are also expected to lead by example and demonstrate the highest level of ethics.

REQUIRED KNOWLEDGE

- Aquatics - Knowledge of patron and aquatics facility safety principles and practices, including a knowledge of the application of life saving and first aid techniques.
- Customer Service - Knowledge of principles and processes for providing customer service.
- Safety - Knowledge of occupational hazards, safety precautions, and safety regulations related to recreational activities and other work related precautions.
- Education and Training - Knowledge of the principles, techniques and methods of education and training to include methods for developing training outlines.

REQUIRED SKILLS

- Interpersonal Relationships - Develops and maintains cooperative and professional relationships with employees at all levels, representatives from all departments, and citizens.

- Time Management - Plans and organizes daily work routine. Estimates expected time of completion of elements of work and establishes a personal schedule accordingly. Implements work activities in accordance with priorities and estimated schedules.
- Judgement/Decision Making - Uses logic and reasoning to understand, analyze, and evaluate situations and exercise good judgment to make appropriate decisions.

REQUIRED ABILITIES

- Communication - Ability to communicate ideas and proposals effectively to diverse audiences to include preparing and conducting training, preparation of lesson plans, reports, and policies. Excellent ability to listen and understand information and ideas presented verbally and in writing.

EDUCATION AND EXPERIENCE

Requires an Associate's Degree in Recreation, Leisure Studies, Therapeutic Recreation or a related field and 2-4 years of related training experience or an equivalent combination of education and experience.

Requires the following certifications from the American red Cross, or equivalent agency: Lifeguarding and First Aid and CPR/AED for the Professional Rescuer

ADDITIONAL REQUIREMENTS

Requires satisfactory results from a pre-employment medical evaluation; pre-employment substance abuse testing and is subject to random alcohol and controlled substance testing.

An acceptable general background check to include a local and state criminal history and sex offender registry check.

PHYSICAL REQUIREMENTS

- Tasks require the regular and, at times, sustained performance of moderately physically demanding work.
- Some combination of climbing and balancing to include climbing ladders, stooping, kneeling, crouching, and crawling.
- May involve the lifting, carrying, pushing, and/or pulling of moderately heavy objects and materials (20-50 pounds).

SENSORY REQUIREMENTS

- Some tasks require the ability to perceive and discriminate sounds, odors, depth, and visual cues or signals.
- Some tasks require the ability to communicate orally.

ENVIRONMENTAL EXPOSURES

Performance of essential functions may require exposure to adverse environmental conditions, such as, odor, fumes, wetness, water hazards, temperature and weather extremes, hazardous materials, infectious disease, or rude/irate customers.
