WHEREAS, the Allocation Agreement currently requires HRT to distribute its eligible federal and state funding to each Participating City on a *pro rata* basis based on the annual cost to provide transit services and the level requested by each Participating City; and

WHEREAS, HRT may provide greater budgetary certainty to all Participating Cities through strategic allocation of its eligible state and federal funding; and

WHEREAS, the current Allocation Agreement does not permit HRT to strategically allocate its state and federal funding amongst the Participating Cities; and

WHEREAS, the Allocation Agreement may be amended, via a resolution from each Participating City, to permit HRT to strategically allocate its eligible state and federal funding; and

WHEREAS, the City of Newport News desires to temporarily modify and amend the Allocation Agreement so that HRT may help mitigate adverse financial impacts to it and the other Participating Cities from the date of this Resolution until June 30, 2023;

WHEREAS, HRT and other Participating Cities have represented that Article IX, Allocation of Revenues, sections (D) and (E) are not deleted permanently but suspended between July 1, 2022 and June 30, 2023 and the City of Newport News has relied upon this representation; and
