

CITY OF NEWPORT NEWS SIGN ORDINANCE SECTION 33.01-08
Acknowledgement Form

Sec. 33.01-8. Prohibited signs.

- (a) Reserved.
- (b) Animated signs shall be prohibited, provided that one (1) sign of cylindrical shape may be erected, installed or maintained at an individual place of business located in other than residential zoning districts, subject to the following criteria:
 - (1) The area of the sign as projected onto a flat plane shall be limited to a maximum of three (3) square feet.
 - (2) Only the interior of the sign may move or simulate motion.
 - (3) The sign shall contain no written message.
 - (4) The sign may be illuminated, but shall not have flashing or rotating lights, nor lights that simulate flashing or rotating lights.
 - (5) Where erected as a freestanding sign, or mounted on a structure supporting a freestanding sign, the sign shall be set back a minimum of ten (10) feet from the public right-of-way.
 - (6) Such signs may be attached to the front of a building provided that the sign does not overhang the public right-of-way.
- (c) Reserved.
- (d) Flashing lights and flashing signs shall be prohibited; provided that:
 - (1) Readerboards on which copy is changed automatically through electrical or mechanical means no more frequently than once every three (3) seconds shall be permitted; and
 - (2) This provision shall not apply to street clocks or time/temperature displays when changes in lighting occur only to indicate the change in time and/or temperature.

I HAVE READ AND ACKNOWLEDGE THE ABOVE SIGN ORDINANCE REGULATIONS
OF THE CITY OF NEWPORT NEWS.
